CHILLER COIL & CONDENSATE PACK

CLEAN MAINTAIN

ACC
Chiller Coil
"NO RINSE" Cleaner

205-1400012

ACC is a powerful, thick, clinging acid free foam formulated to utilize natural condensation action to penetrate and remove dirt and matted material quickly and easily from chiller coils and fins. The foaming action of the product begins to flush away efficiency robbing particles such as smoke, dirt, grime, grease, pollution and tobacco film accumulations from coil fins and other hard surfaces. NO RINSING IS REQUIRED. The condensation produced will wash soil away from contacted surfaces, leaving the unit clean and deodorized.

ACC is an excellent product for air conditioners, central cooling systems, auto air conditioners, refrigeration systems and freezers. For use in hotels/motels, homes, office buildings, air conditioner services and auto and RV repair services.

Powerful Penetrating Fast Action • Leaves No Residue • Saves Costly Labour • Self Contained Dispenser • Controls Filter Odours • Versatile • Safe For Use On All Cooling Substrates

COILENE
"SELF RINSING"
CHILLER COIL RENOVATOR

205-1600016

COILENE is an acid free automatic rinse formula for air conditioners utilizing natural condensation action on chiller coils to flush away efficiency robbing particles such as soil, grease, lint, and tobacco film accumulations.

COILENE is widely used as a cooling coil cleaner and self emulsifying filter adhesive for cooling coils, in wall units, remote ceiling cooling units and refrigeration chiller coils.

Special "No Rinse" Feature Saves Labour • Controls Filter Odours • Versatile and Highly Effective • Inhibits Corrosion • Safe on Aluminum, Copper, Steel, and Plastics • Leaves No Residue

BIO-GEN
Foam for Drains

220-2480012

BIO-GEN FOAM for DRAINS is a bio-energized foaming drain cleaner combining the power of concentrated natural bacteria in formula with citrus grease cutters and odour counteracting "boosters" which safely and efficiently breaks down organics in all types of sink, trough and floor drains, garbage disposals, bar and fountain drains, ice machine drains as well as all types of condensate drains and drip trays.

Provides positive control of odour and maintains drains and lines in a clean and free flowing condition without the use of harsh chemicals or hazardous solvents. Works great in showers, bathtubs, drain lines and all types of condensate drains. Excellent for use in industrial plants, schools, hotels/motels, restaurants and janitorial services.

Highly Effective • Controls Odours • Safe • Economical
